7. Creative and brand guidelines

Suggested palette: Forest Green #245C3B; Harvest Gold #D9A441; Warm Cream #F7F2E8; Charcoal #303632. Use the existing AYOKEL logo and verify product images represent actual products or clearly label them illustrative. Recommended sizes: Instagram feed 1080 × 1350; Stories/Reels 1080 × 1920; LinkedIn landscape 1200 × 627.

8. Advertising and conversion plan

Activity	Illustrative allocation	Purpose
Meta awareness	₦40,000	Reach relevant commodity buyers
Meta WhatsApp leads	₦45,000	Drive qualified enquiries
Creative tests / retargeting	₦15,000	Improve winning messages
Total	₦100,000	Optional test budget; not a forecast

Conversion flow: social post or advertisement → product interest → WhatsApp/landing page → qualification → quotation → follow-up. LinkedIn initially prioritises organic B2B relationship-building and targeted professional outreach.

9. Lead handling workflow

Set up WhatsApp Business greeting, catalogue and quick replies. Record each enquiry in a lead tracker with: date, buyer/company, source, product, quantity, grade, destination, purchase timeline, status, quotation amount, next action and owner. Reply within two business hours where feasible.

10. KPIs and reporting

KPI	Target	Frequency
Unique accounts reached	10,000	Weekly
New followers	150	Weekly
Engagement rate by reach	≥4%	Weekly
Qualified enquiries	25	Daily
Quotations issued	8	Weekly

KPI	Target	Frequency
Website visits	200	Weekly
Enquiry response time	Within 2 business hours	Daily
Lead-to-quotation rate	≥32%	End of campaign
Publishing completion	≥95%	Weekly

Formulas: Engagement rate = total engagements ÷ reach × 100. Lead-to-quotation rate = quotations ÷ qualified enquiries × 100. Paid cost per qualified lead = advertising spend ÷ qualified paid leads. Report paid and organic leads separately.

11. Implementation roadmap
